

Lasting Impressions!

Many of the interns are wrapping up with week, finishing up their teaching duties and preparing to pass back the baton.

Also, many are putting the finishing touches on their internship portfolio. As you work together this last week, we hope you recognize the profound influence you have and will continue to have on your student teacher and their path into the classroom.

Check out this article for a student teachers' perspective on their appreciation for their cooperating teachers:

"Leadership is about making others better as a result of your presence and making sure that impact lasts in your absence."

-Sheryl Sandberg

**Thank you for
your time and
mentorship!**
